Presidents
Federations / Associations

Dear Presidents:

A few weeks ago, the first Special Olympics Pan-American Tennis Tournament was held in the city of Jundiaí, Brazil.

I was very proud to be in the opening ceremony, and I was very excited to see 18 countries with 110 athletes from COSAT and COTECC attending.

On the occasion of this great event, the cooperation alliance among Special Olympics Latin America, COSAT and COTECC was renewed, ratifying the agreement signed on June 29th, 2006 in San Salvador, El Salvador, by means of the "We Are All Tennis" project, which purpose is to support the sports and social development of people with intellectual disabilities from Latin America through tennis.

I would like in this opportunity to request you and the Honorable Board once more, your generous cooperation in the development of tennis practices of these special athletes that with dedication and effort work in their sport practices in order to show the world that "We Are All Tennis"

The cooperation of the Federation/Association under your leadership, providing them with materials and a place for their practices, is all they ask, cooperation that will be gladly received by this organization where we are committed to support their development through the whole region.

Thank you very much for your attention,

Cordially yours,

SERGIO ELIAS ABOID
PRESIDENT
SOUTH AMERICA TENNIS CONFEDERATION
